Recycling Bid Specification

There was a lengthy discussion regarding the preparation of the recycling bid specifications. Various options were discussed including single stream collection that would exclude for the present time appliances and electronics and yard waste. The attorney will prepare the bid spec with options for ownership of the recyclable material as well as non-ownership of the material. Nasta advised that the current recycling ordinance will require an amendment which he will prepare and circulate to the committee for their consideration.

Dear Ms, Lopiccolo:

I am writing to you today to formally inform the Clerks office that the footpath in front of my home has become a tripping hazard and is now in an unsafe condition due to tree roots. These trees have caused the uplifting of the sidewalk slabs to become unlevel and uneven, thereby resulting in a tripping hazard.

If left uncorrected this potential hazard may place pedestrians in jeopardy and may lead to an unnecessary injury that could have simply been avoided if addressed promptly.

I am requesting that this impending risk be given the upmost importance and corrected as soon as possible.

Sincerely,

Vincent Graziano

South Hackensack Township Committee
Re: Recreation Commission

With sincere regret I would like to offer you my resignation as Chairperson of The South Hackensack Recreation Commission.

I feel that over the last few months the way the Recreation Commission is being administered by the Township Committee has changed to a point that I no longer feel comfortable being a part of. When I was appointed to this Commission it was with the understanding that the Commission would be it's own entity and that the Township Committee's role would be to advise and give suggestions. However recently that has changed.

During the July Recreation meeting the Commission voted to postpone Field Day from September to the spring. This decision was affected by many factors. One of the most pressing reason we, as a Commission, were in favor of postponing was the matter of town finances. The Township Committee has been telling all department heads, as well as the public, that South Hackensack is facing a severe fiscal crisis. The police department laid off two officers and a full time dispatcher, the DPW laid off an employee, and the school has laid off employees and made tremendous cuts. We as a Commission felt that it was not fiscally responsible or appropriate to host a Field Day at this time. It was put to a vote and passed that we postpone until spring when South Hackensack as a whole may be in a better financial position.

accepted 10/7/10.

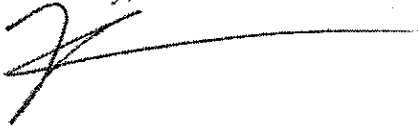

There were other factors involved in this decision and I could go on in greater detail, however I feel that action was taken and should be supported by the Township Committee. We as Commissioners were appointed by the Committee to run Recreation and should be allowed to do so as we see fit. At the August Recreation meeting the Mayor informed Recreation that the Township Committee did not accept our decision to postpone. The Mayor also decided that Recreation is to take part in the newly named Family Fun Day in September. Which is the same as having a Field Day.

I feel that if the Mayor and Council want to dictate Recreation to the point of overruling Commission action then they should think about abolishing the Commission all together.

Please see the attached Memorandum from the Mayor to all department heads in reference to spending.

Also, I request that my resignation letter be read at the next Township Committee meeting during the review of correspondence.

Sincerely,

A handwritten signature in black ink, appearing to be 'Kelly Maher', with a long horizontal line extending to the right.

Dear Mayor & Council;

Mrs. Czarnecki called my office on Thursday; September 16, 2010, and requested that the town tree located in front of her house be taken down. She stated that a 4' limb has fallen almost hitting a car. I went to the above location and found that the tree is dying. I would recommend that we taken this tree down as soon as possible. Re: DPW Ambulance Pagers Not Working

Dear Mayor & Council;

On Tuesday; September 28, 2010; DPW Workers Joseph Marrella and Angelo Sortino came into my office to report that their ambulance pagers are not working properly. They both reported that there are times when they do not receive the tones from the police desk. I would like to request to have Chief James Riley purchase 3 new pagers for my Department. If the Ambulance Corp account is low on money, I would have no problem purchasing the 3 pagers from the DPW account. I would just need Chief Riley to get me the information on where to purchase them.

Dear Township Committee,

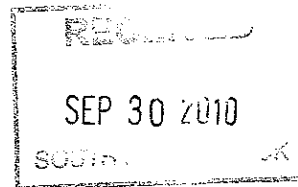

I wanted to thank Chief of Police Michael D. Frew and Det. Sgt. Robert Licamara for their assistance with helping my son Brett get a new bicycle helmet. Brett's helmet broke and I called the police department to see if they had any left from bicycle safety day. I left a message for Officer Licamara who was the superior officer on that shift. He called me back that same day after looking and said they did not have any left. Later that week I spoke to Chief Frew who said he would try to get a certificate from AAA North Jersey for a new helmet. Well yesterday Chief Frew dropped off the certificate for Brett.

I wanted to thank both for caring for the safety and welfare of my son who abides by the rules and wears a helmet. It makes me happy that the extra effort was put forth to reach out to the residents, especially the children and makes me feel that we are on the road to being a community again.

To: Chief Riley

Dear Chief Riley;

On September 22, 2010 two of my DPW/EMT workers (Angelo Sortino and Joseph Marrella) were dispatched to an aid call. The call was an elderly man down. Upon arrival, they found patient had no pulse, and the family stated that he might have a piece of food caught in his air way. Angelo Sortino, Joseph Marrella, Patrolman Robert Licamara started CPR. They were able to remove some of the obstruction, which enabled them to administer oxygen. After a few minutes of CPR, they able to get a pulse. They assisted the patient with his breathing until HUMC ALS 101 arrived. The paramedics were able to remove the rest of the obstruction, and the patient was transported to Hackensack Medical center. It is my understanding that the patient has made a full recovery. I would like to commend the three men for job well done.

Re: Aid call

Dear Mayor and Township Committee;

I am pleased to inform the Township Committee that on September 22, 2010 at approximately 1142 hours Sgt. Licamara and Ptl. Kelly responded to a medical emergency at 55 Maple Street. Upon the officers arrival they found the victim slumped over on the chair. The officers found the victim not breathing and with no pulse his lips had turned blue. The two officers placed the victim on the floor and began CPR. At this time the South Hackensack ambulance corps members Joseph Marell and Angelo Sortino arrived. Angelo Sortino began to suction the victim's mouth. The paramedics arrived and were able to dislodge a piece of meat from the victim's throat. At this point the victim had a pulse and was breathing on his own. I would like to commend the two officers and the two ambulance corps members for a job well done.

Re: COPS hiring grant

Dear Mayor and Township Committee;

I am pleased to inform the Township Committee that the South Hackensack Police Department will receive the 2010 COPS Hiring Program (CHP) grant. This grant is for hiring or rehiring officers to fill CHP grant-funded positions. The estimated amount of federal funds to be awarded to our jurisdiction over the three-year grant period is \$269,485.00. This grant is for 1 officer position. It is my recommendation that the township rehire one of the laid off officers.

Re: Township Ordinance (Grove Street)

Dear Township Committee,

The South Hackensack Police Department received a parking complaint on Grove Street. Vehicles parked in the area of 25 Grove Street make it difficult for tractor trailers to back into the commercial buildings in the area. After investigating this complaint the South Hackensack Police Department is requesting a Township Ordinance be created in Chapter 155. We request there will be no parking in front of 25 Grove Street beginning at the driveway and continuing west for twenty five (25) feet. This will allow tractor trailers to back up safely into the commercial buildings and alleviate traffic congestion.

Re: two police incidents

Dear Mayor and Township Committee;

I like to commend the fine police work that Sgt. Licamara and Det. Capt. Kaiser did to apprehend Damion Sampson. Damion Sampson was charged with aggravated sexual assault and armed robbery. Damion Sampson had pre arraigned a meeting with the female directly behind 267 Green Street to an over grown weeded area then sexually assaulted the victim and then robbing her of her belongings at knife point. The police department is aware of one other incident fitting the same M.O. (modus operandi) and still investigating if there were any other incidents. The South Hackensack Police Department was assisted by the Bergen County Prosecutors Office (Sex Crimes) and the Bergen County Sheriff's Department (B.C.I.).

I would like to also inform the township committee of an incident that had occurred on September 30, 2010 at 14 Garfield Place. This incident was involving a barricaded subjected wanted by Oakland Police Department and also held the victim against her will overnight. The accused was an ex police officer from North Haledon. With the assistance of Garfield, Wallington and the Bergen County Police Department the barricaded accused surrendered with out incident.
