

TETERBORO
AIRCRAFT
NOISE
ABATEMENT
ADVISORY
COMMITTEE

Teterboro Airport 90 Moonachie Avenue Teterboro, NJ 07608

September 3, 2008

To the Mayor and Members of the Town Council:

As the summer season is coming to a close, your constituents, I am sure, are looking forward to shutting off their air conditioners and opening their windows. When they do that, they may encounter some unwanted noise from Teterboro Airport.

Teterboro Airport has worked on improving the ability of the public to voice their complaints regarding noise, jet fumes, window rattling etc. The public can voice their complaints by:

1. Phoning the noise complaint to the Teterboro Airport hotline at 201-288-8828

Or

2. Entering it on the newly launched Noise Complaint online service at www.teb.com

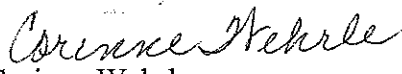

Once on the airport website, select Operations and Noise from the bullets on the left, then under "Noise Abatement Programs and Procedures", there is a link to click to file a noise complaint.

Either a phone or an online complaint should receive a call or email from The Noise Complaint Department within a day or so with their comments regarding your concerns. If no reply is received within that timeframe, please feel free to call me at 201-641-9339. I will follow up with the Airport and get an answer from them.

It is important for the public to realize that they should register their complaints because this is the only tool we have to monitor how this airport affects our quality of life. Teterboro Airport has worked to reduce the noise that is generated by the aircraft. However, if there are still noise or other issues, we need to have them brought to their attention so they can have an opportunity to correct or minimize them. We have only ourselves to blame if we do not take advantage of this opportunity to have them listen to us.

If I can help your community in my role as Chairperson of the Community Issues Sub Committee of the Teterboro Aircraft Noise Abatement Advisory Committee, (TANAAC) please contact me at the above phone number or by email at gpwret@nj.rr.com.

Sincerely,

Corinne Wehrle
Little Ferry Representative of TANAAC
Chairperson, Community Issues Sub Committee
