Ordinances

LoPiccolo motioned; Brugger seconded to open the public hearing on Ordinance 2006-17. All in favor.

John Falato, 399 Chestnut Avenue – Concerned about the public health and safety regarding this use, that it could be a life hazard use, as well as the possibility that the buildings could be purchased by Hackensack Medical Center and become tax exempt. Anzevino responded that Hackensack Medical Center does not run its own laboratories. They are run by private companies. Anzevino indicated that he is very familiar with this use and that it is clean and safe. Toxins will not be emitted into the air, and the rates for buildings with a life science use will increase by 3.5 times the rate of a regular office building. Anzevino explained that the most accurate way to assess a commercial/industrial building is to ascertain its highest and best use, and use the information to calculate its assessment. The area is desirable for this type of use because of our close proximity to the airport and the medical center.

LoPiccolo motioned; Brugger seconded to close the public hearing on Ordinance 2006-17. All in favor.

LoPiccolo motioned; Eckel seconded to adopt Ordinance 2006-17 and advertise its adoption as prescribed by law. Roll Call Vote: Ayes: Anzevino, Brugger, Eckel, LoPiccolo, Scholz

Committee Reports

Walter Eckel, Jr. – Advised that the engineer's report had been received this evening for the DPW building. He asked that everyone review the report for next month's meeting.

Gary Brugger – Was very concerned over the number of students residing at the motels who are attending Memorial School. He would like to meet with the police chief and the school board to take control of the situation since the township has an ordinance that prohibits staying in the motels for longer than 30 days.

Brugger then reported that Dr. Madis laboratories located on Huyler Street emitted a foul smelling odor into the air last Tuesday that could possibly have been mace. An investigation has been undertaken as to its cause and he will report back to the committee at that time.

Public Comments

Lonnie Bedell, 51 Grove Street – Received Mayor Scholz's reply to his correspondence by said that she did not respond to some of the items. Mayor Scholz responded to Mr. Bedell and there was a discussion regarding the senior housing project. Mr. Bedell voiced his concern over the contamination on the site. Scholz assured Mr. Bedell that she would not permit the health of the citizens of South Hackensack to be compromised and she will look into whether or not the property is safe in its current condition or if the township needs to take steps until such time as the developer takes over the property for development.

Anzevino motioned; Brugger seconded to close the public comments. All in favor.

LoPiccolo motioned; Brugger seconded to go into closed executive session at 9:22 p.m. to discuss Litigation – Lighthouse Restaurant Services, Inc. – Petition filed with ABC on appeal of liquor license renewal. All in favor.
