SECTION 1

INTRODUCTION AND GENERAL INFORMATION

1.1. Introduction and Purpose.

The Municipality is soliciting Qualification Statements from interested persons and/or firms for the provision of professional services and extraordinary unspecifiable services. Through a Request for Qualification (RFQ) process described herein, persons and/or firms interested in assisting the Municipality with the provision of such services must prepare and submit a Qualification Statement in accordance with the procedure and schedule in this RFQ. The Municipality will review Qualification Statements only from those firms that submit a Qualification Statement that includes all the information required to be included as described herein (in the sole judgment of the Municipality). The Municipality intends to qualify person(s) and/or firm(s) that (a) possesses the professional, financial and administrative capabilities to provide the proposed services, and (b) will agree to work under the compensation terms and conditions determined by the Municipality to provide the greatest benefit to the taxpayers of the Municipality. The Municipality will consider Qualification Statements only from individuals, firms or organizations that have demonstrated the capability and willingness to provide high quality services as required by the Municipality.

1.2. Procurement Process and Schedule.

The selection of Qualified Respondents is not subject to the bidding provisions of the Local Public Contracts Law, N.J.S.A. 40A:11-1 et seq. The selection is, however, subject to the “New Jersey Local Unit Pay-to-Play” Law, N.J.S.A. 19:44A-20.4 et seq. The Municipality has structured a procurement process that seeks to obtain the desired results described above, while establishing a competitive process to assure that each person and/or firm is provided an equal opportunity to submit a Qualification Statement in response to the RFQ. Qualification Statements will be evaluated in accordance with the criteria set forth in Section 5 of this RFQ, which will be applied in the same manner to each Qualification Statement received.

Qualification Statements will be reviewed and evaluated by a duly authorized subcommittee of the Governing Body. The Qualification Statements will be reviewed to determine if the Respondent has met the minimum professional, administrative and financial criteria described in this RFQ. Under no circumstances will anyone review an RFQ for a contract or position for which he/she or his/her firm submitted a response. Based upon the totality of the information contained in the Qualification Statement, including information about the reputation and experience of each Respondent, the Municipality will (in its sole judgment) determine which Respondents are qualified (from professional, administrative and financial perspectives). Each Respondent that meets the requirements of the RFQ (in the sole judgment of the Municipality)

will be designated as a Qualified Respondent, and will be considered for selection by the Municipality.

The RFQ process commences with the issuance of this RFQ. The steps involved in the process and the anticipated completion dates are set forth in Table 1, Procurement Schedule. The Municipality reserves the right, among other things, to amend, modify or alter the Procurement Schedule upon notice to all potential Respondents who have provided contact information to the Municipal Clerk upon receipt of this RFQ.

All communications concerning this RFQ or the RFQ process shall be directed to the Municipality's designated contact person, in writing.

Designated Contact Person:

Qualification Statements must be submitted to, and be received by, the Municipality, via mail or hand delivery, by the Due Date. Qualification Statements will not be accepted by facsimile transmission or e-mail.

Subsequent to issuance of this RFQ, the Municipality (through the issuance of addenda to all firms that have received a copy of the RFQ) may modify, supplement or amend the provisions of this RFQ in order to respond to inquiries received from prospective Respondents or as otherwise deemed necessary or appropriate by (and in the sole judgment of) the Municipality.
